### The Artist:

Jane gave up her teaching job in art to look after her family and it was in Hong Kong that her taste for fabrics turned into a passion. Soon, Jane became a recognized artist in this field (many exhibitions, prizes and books). She now splits her time between Yorkshire and the Charente.

### Theme: Easy and amusing “free piqué”

For those who want to start or those who have already tried unsuccessfully. You will learn the basics, how to adjust your sewing machine, how to make simple patterns, and even create your, more or less, complicated original patterns.

I will teach you several techniques and give you a wealth of “tips and tricks” to achieve a great result (freehand drawings, vermicelli).

### Level: Intermediate
