Artist : Montserrat FORCADELL (Spain)

Class title : Dragonfly

Dates : 01 – 03 July

Required level :/

Contact : montsepatch@hotmail.es

Descriptive : In this class, we will learn the steps I followed to make my big dragonfly on this spectacular sunflower. We will do it on a smaller but no less beautiful work. We will play with the prints of a multicolored fabric to obtain the transparency of the wings of this beautiful insect.

We will also learn to play with the gradients of a fabric. It is important to choose the right fabrics. I propose kits that will facilitate the course. Although it is not mandatory, they are recommended for a better result.
