

## THREAD ACADEMY - 1 to 6 July 2019

Maité HAMON (France)

Japanese embroidery

[maite-hamon@gmail.com](mailto:maite-hamon@gmail.com)

*From my childhood, my mother introduced me to needlework that quickly fascinated me. Over the years and after many embroidery courses in France (often with “Meilleurs Ouvriers de France”) and abroad, I decided to share my passion by giving classes.*

*I practice many techniques including the Art of Traditional Japanese Embroidery, the Nuido. The courses I attended at the Japanese Embroidery Center (JEC) allowed me to earn my JEC Certified Teacher's degree.*
