

THREAD ACADEMY - 1 to 6 July 2019

Annette PETAVY (Sweden)

Crochet

www.annettepetavy.com

annette@annettepetavy.com

I have been creating crochet and knitting patterns for over ten years. Alongside my creative work, I teach and organize classes in both areas.

My inspiration and know-how come from my Swedish origins and from the sharing of contemporary techniques, especially via the Internet.

I am passionate about pedagogy; the transmission of my know-how to knitting and crochet is therefore at the heart of my activity. You can follow me on Instagram, Facebook and YouTube accessible via my website.
