

THREAD ACADEMY - 1 to 6 July 2019

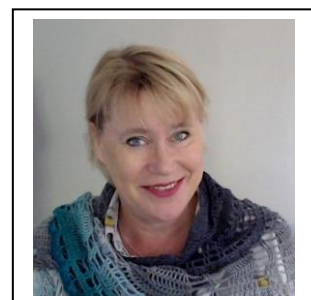

Artist : Annette PETAVY (Sweden)

Class title : My crochet shawl - construction and design

Dates : 04 – 06 July

Level required : Basic crochet knowledge.

Contact : annette@annettepetavy.com

Descriptive : During this workshop, you will create your own crochet shawl in the form of a prototype. We will also discuss the development of original stitches based on existing stitches. The level of difficulty will be adapted to the level of knowledge of each participant.

- Study of different types of crochet shawl construction and basic principles of their design.
- Situation of the shawl: choice, study, sampling.
- Integration of the stitch in a chosen form.
- Borders: type of border, consistency of pattern, integration into the shawl.
- Develop an original stitch on the basis of an existing stitch (theme treated according to the available time).

Price of the class : 205 €

Supplies :

Paid kit required : NO

Provided by the artist : The threads for sampling (possibility to bring your own thread if desired).

Other supplies to bring : Trainees bring their hooks (about 3 to 5 mm), their hook kit (scissors, markers, etc...), pen and paper to take notes.

They may also provide explanations of a stitch they would like to use. Dictionaries of stitches will be made available during the class.

Miscellaneous :

Loan of hooks possible.

Threads and hooks will also be available for sale as part of the class for participants who wish, as well as kits to put the acquired knowledge into practice.
